

REMARKS

Claims 1-8 and 11-28 are allowed. The amendment is fully supported by the original disclosure and, thus, no new matter is added by their entry.

Entry of the amendment is requested to correct the Examiner's amendment. It appears that her listing of claim 1 inadvertently omitted the last three lines. Therefore, their insertion is necessary prior to issuance.

The claims remain allowable for the reasons of record. Early issuance of this patent is earnestly solicited. The Examiner is invited to contact the undersigned if additional information is required.

Respectfully submitted,

NIXON & VANDERHYE P.C.
